### **Notes**

- 1) In February 2007, US District Judge Thomas F. Hogan approved an Amended Implementation Plan (AIP), which replaces the LaShawn Implementation Plan established by the Federal Court Order in 2003. Expected outcomes and benchmarks in the scorecard were initially derived from the original LaShawn Implementation Plan. CFSA is in the process of refining measures for the scorecard to reflect modified AIP requirements, which are specified on the last two pages of this scorecard. The original Implementation Plan and the entire AIP are available on the CFSA web site.
- 2) Data presented in this scorecard was extracted from reports in FACES, CFSA's client information management system. FACES produces monthly reports to monitor performance data on the 15th of the month following the month of the report. The FACES report number for each outcome is indicated in that respective outcome chart.
